

Dear Sponsor,

I Saniya D'Souza is extremely happy that you selected me as your sponsored child. A special thanks.

I am happy to inform you about my academic performance. I have secured a B⁺ grade in my final exams and now I am promoted to Std VIII. I assure you that I will study well.

During this year I have participated in dance competition in school annual day function and in sports also.

I go regularly for catechism classes and Sunday mass. I do Altar Serving too. We had picnic for choir children. I enjoyed the outing.

My grandparents, parents and I are very happy and thankful for you sponsoring me. I need your blessings to do better in my life.

Your Loving child
