We are a large family we are altogether six children my father is very active in neo-catechuminate we go for mass everyday we also say the Rosary and read the Bible before going to sleep we pray for you and your family daily

This year there is very little rain in our area In our town we get water once in six days so we have to be very careful

while using water. This year is a year of drought and famine in our area.

Our Parish Priest is very good He takes our catechism and also has various activities in the Church so that we come close to God
